

# 2019 PARTNERSHIP RATES

Our fans are your  
fans, and there  
are more than  
78,000 of them!

**"THE PLACE TO BE,  
AND BE SEEN"**

## IN SUMMER, VICTORIA PLAYS OUTSIDE

Local ownership and enthusiastic fans have taken the team to new heights, including the three highest-attended games in West Coast League history, bringing the heart of the City of Victoria to life. In total, more than 78,000 people saw the exciting brand of HarbourCats baseball in 2018, attending 35 games at Wilson's Group Stadium at Royal Athletic Park. For the fifth straight year, the HarbourCats led the WCL in attendance - setting a new single-game record of 5,240 on June 2, 2018 - and Wilson's Group Stadium at Royal Athletic Park continued to be "the place to be, and be seen" in the summer months.

Creative promotions, audience engagement, signage, PA and video scoreboard options, the popular souvenir program, ticket packages and group hosting, including two great new group party deck options, are just some of the choices available for our corporate partners. And we love new and impossible ideas!

In 2019, be a key part of it, and use HarbourCats baseball to get your message to the masses.

**“We love working with the Victoria HarbourCats, A professional organization from start to finish, they are committed to their players, their sponsors, their staff and their community. We never do a campaign with the HarbourCats that we don’t get more than we were promised, they consistently under promise and over deliver. Dr. Taylor and I encourage any businesses to work with this organization. They are prompt in answering questions, flexible in working with sponsorship requests and just all around fun! We increase our sponsorship every year based on the successful advertising of the previous year.”**
